CLEAN TECHNOLOGY FAIR

**International Technology Fair for
Clean Technologies under METABUILD Project**

METABUILD

Resource-Efficient Supply Chain for Metal Products in
Building Sectors in South Asia

On 26th & 27th June 2019

10:00 am to 05:00 pm

At Institution of Diploma Engineers, Bangladesh

IDEB Bhaban, 160/A, Kakrail VIP Road, Dhaka

CLEAN TECHNOLOGY FAIR

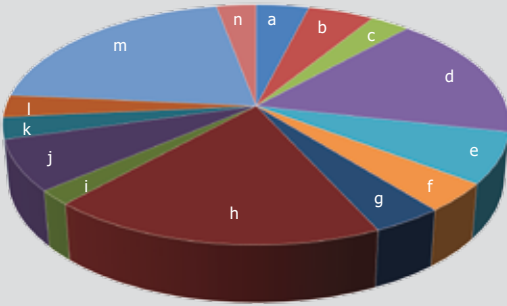

Who will Exhibit

One of the main objectives of METABUILD Project is to bring together the technology suppliers who can provide technology solutions for resource & energy efficiency in companies and the companies which are supported by the project. This will be an ideal platform for the technology suppliers to explore the potential market with large growth potential, to establish new partnerships. We would like to encourage interested suppliers to participate for this technology fair to demonstrate your products and services under following and other categories:

Power Factor Controlling	IR Guns	Air Turbines	Dust Extractors
Electrical Maintenance	Flow Meters	Evaporative Cooling	Wet Scrubbers
HV/MV/PF Correction	O ₂ Sensors	AC Services	Safety Equipment
Efficient Motors	Insulation	Solar PV	Noise Control
VSD Controllers	Heat Exchangers	Solar Street Lighting	Efficient Air Guns
Motorised Valves	Fire Bricks	TG/CHP	Service Units
Electrical Sensors	Solar Parabolic/Solar Tube	Biogas Digesters	Efficient Air Compressor
Pumps And Blowers	LED	Solar Hot Water	Powder Guns
Efficient Foundries	Lighting Controllers/Sensors	Water Treatment	Energy Efficiency
RH Furnace Modifications	Efficient Chillers	Solid Waste Management	ISO 50001 EnMS
Waste Heat Recovery	Cooling Towers	Chemical Handling	Steel Fabrication
Environmental Solutions	Temperature Control Devices	Hazardous Gas Handling	Conveyors

METABUILD- BD Partnering Sectors

a Aluminum 4%	b Foundry 5%	c Engineering Workshop 3%
d Cable & PVC 17%	e Electric Fan 7%	f Nail & Screw 4%
g Bulb 4%	h Bathroom Fittings 19%	i Electroplating & Galvanizing - 2%
j Steel Re-Rolling 7%	k Steel Structure 3%	l Steel Pipe 2%
m Bakelite 20%	n Transformers 3%	

More than 250 industries associated with METABUILD project and many other industries will be attending the fair, looking for technology providers. In all these companies, feasible investment opportunities have been identified for technology changes towards energy efficiency, resource efficiency, improved productivity, quality renewable energy etc.

Why you should Exhibit

- **Back to back business opportunities.**
- **Visits to potential industries and meeting onsite.**
- **Opportunity to meet financial institutions.**
- **Chance to make presentation about the products & services during seminar.**

STALL IS TOTALLY FREE OF CHARGE

For Suppliers that Register and Confirm their Participation before 1st June 2019

CLEAN TECHNOLOGY FAIR

Save money while you
save the environment !

Stall facilities include

**One Table | Two Chairs | Spotlights | Plug Point
Name Board | Electricity | Cleaning**

(All above facilities are free of charge)
